Seating arrangement of examinations

120

The diagram shows a classroom layout with 10 rows of student desks and 1 column of instructor desks. Each student desk is represented by a horizontal bar divided into three sections: a yellow section on the left, a gray section in the middle, and a yellow section on the right. The yellow sections contain numbers 1 through 120, arranged in a grid that reads left-to-right, then top-to-bottom. The instructor's desk is a single horizontal bar at the bottom, labeled "教壇(Instructor's desk)".
